

## **SAMEX Mining Corp.**

### **Legal Disclaimer**

#### **\* FORWARD - LOOKING STATEMENTS**

This web site includes certain "forward looking statements". Without limitation, statements regarding potential mineralization and resources, exploration results, and future plans and objectives of the Company are forward-looking statements that involve various risks. Actual results could differ materially from those projected as a result of the following factors, among others: risks inherent in mineral exploration; risks associated with development, construction and mining operations; exploration programs and results; title to properties; political and economic instability; government regulations; regulatory compliance; the uncertainty of future profitability and uncertainty of access to additional capital.

#### **\* GENERAL DISCLAIMER**

The TSX Venture Exchange has neither approved nor disapproved of the information contained herein.

The information contained in this web site is to provide a general overview of SAMEX's activities and is not intended to be a comprehensive review of all matters concerning the Company. SAMEX makes no representations nor provides any warranty as to the accuracy, currency or completeness of such information. The information contained in this web site may be modified by the Company at anytime without prior notice. In no event shall SAMEX be liable for any direct, indirect, consequential or other damages arising or connected with the use of this web site or the information herein.

#### **\* LINKS TO OTHER INTERNET SITES**

SAMEX provides links to other internet sites that are not related to the Company but may be of interest to viewers of this site. Viewers should be aware that SAMEX has no responsibility for the content of such other internet sites.

#### **\* CAUTIONARY NOTE TO US INVESTORS**

This web site contains information about adjacent properties on which SAMEX has no right to explore or mine. We advise U.S. investors that the SEC's mining guidelines strictly prohibit information of this type in documents filed with the SEC. U.S. investors are cautioned that mineral deposits on adjacent properties are not indicative of mineral deposits on our properties.

### **Privacy Statement**

SAMEX's website does not collect any personal information about visitors to this website other than that which is specifically and knowingly provided by you. That personal information will not be transferred to any third party unless otherwise stated at the time of collection. SAMEX does collect and maintain statistics relating to the number of visits to the website, the types of browsers used and the Internet Protocol Address of the originator. This information is used only for internal purposes. If you have concerns relating to the privacy or confidentiality of this website, please contact SAMEX at [info@samex.com](mailto:info@samex.com).
