GOLD ANTI-TRUST WEB SITE LAUNCHED IN CHINESE LANGUAGE

In continued support of the Gold Anti-Trust Action Committee, "GATA", (see www.GATA.org), SAMEX is pleased to sponsor the creation, translation and hosting of a Chinese language version of the GATA web site (www.GATACHinese.org). SAMEX has been an outspoken supporter of GATA, a US based "not for profit" organization, which contends that a hidden scheme exists to manage and even manipulate the US dollar price of gold for the benefit of certain knowledgeable parties to the detriment of others. GATA has researched, documented and is now supporting ongoing US Federal litigation against certain international banking, government and quasi-government institutions. GATA has received much support through the efforts of US Congressman Ron Paul of Texas, who has introduced legislation (the "Monetary Freedom and Accountability Act") which is designed to curb the potential manipulation of worldwide gold prices.

Management is convinced that the research that GATA has assembled over the past three years may be of significant interest internationally. The new web site will enable Chinese investors to read and evaluate pertinent GATA information in their native language, thereby broadening the understanding of these important issues to a large segment of the global population.

NAI Interactive LTD., a subsidiary of ChineseWorldNet.com ("CWN") has constructed, and will maintain the GATA/Chinese web site. CWN hosts a leading Chinese financial web-portal in North America with over 30,000 members. With operations in Toronto, Vancouver, Hong Kong, Shanghai and Beijing, CWN aims to link the Chinese financial community worldwide. Through email disseminations, Internet banner links and coverage in CWN's Chinese language bi-weekly newspaper, the GATA/Chinese web site will receive substantial worldwide coverage through a variety of media, over the weeks and months ahead. Pertinent GATA updates and news releases will also be translated and disseminated, through the above mentioned channels.

The GATA group has tirelessly researched and published much evidence supporting management's conviction that something has been amiss in the "free-markets". GATA's contentions have important implications for investors within the exploration and mining sector. We are grateful for their efforts and consider the GATA/Chinese initiative an appropriate way to support them with the dissemination of this information in another language. Go GATA Go!
